## Explanation of Streets and Avenues

The names of the Streets and Avenues are alphabetically arranged giving location and description of the street, showing in order as they come, the intersecting streets with numbers at intersection.

To find the street and the number on the street you desire: Say you want Sherbrook 701, refer to Street Guide, Sherbrook, run down to nearest intersection to number on street. You will find 701 to be between Sargent Avenue and Notre Dame.

Following the description of streets is a Map Key showing location of all streets that appear on Map, whether actually constructed or not as well as new and projected avenues not yet shown.

**Most Avenues Odd Numbers North Side**

**Most Streets Odd Numbers East Side**

**Map Key following Street Description shows  
Street Location on Map**

**For Householdors on the Streets see  
Henderson's Winnipeg Directory**
